

Here is a sample letter that can be easily emailed or texted to family and friends asking for support:

Dear _____,

As you may know, I attend Tree of Life Christian Schools, where I am in ____ grade. We are gearing up for our annual Jog-A-Thon fundraiser, where the proceeds will benefit not only my school, but also our STEM program at each elementary campus. This excites me because _____. Our total fundraising goal is \$40,000. My personal goal is at least \$125. Would you consider helping me reach my goal? Every dollar counts! Donating is easy and secure by visiting www.tolcs.org/jogathon. Be sure to put my name in the student section because I can also earn cool incentive prizes.

Thank you for considering supporting this fundraiser to support the school that is very special to me and my family.

Sincerely,

*The Advancement office will be keeping track of each donor for each student, should you want to thank them for their donation in addition to the thank you receipt letter they receive from the school. Please contact Julie Myers in Advancement at julie.myers@tolcs.org for this information.
