**Tree of Life**  
CHRISTIAN SCHOOLS

*Train up a child in the way he should go: and when he is old, he will not depart from it.* PROVERBS 22:6

Tree of Life Christian Schools is a Christ-centered kingdom diverse community. We are committed to advancing knowledge, cultivating wisdom, and developing resiliency in students while they discover and grow into who God has created them to be. Our philosophy of education is centered around the development of the whole child in God's Truth.

The Support-A-Scholar program provides financial assistance to deserving and talented students who have the desire to attend Tree of Life, whose family income is 250% or less of the federal poverty guidelines. Additionally, the program helps the school fill the tuition gap that the state funded scholarship and family contribution does not cover.

Tree of Life invites you to become a Champion for our students in need. Champions will have the opportunity to play an integral role in the education and development of each child while supporting the cost of the tuition gap through various levels of engagement.

**The Gap: Approx. \$750K (300 kids)**  
**Minimum Investment: \$2000**

*"Tree sets the standard when it comes to teaching and delivering Biblical and Academic excellence to its students. I have been extremely impressed every time I have connected with current students or alumni. Their character, intelligence, and walk with the Lord is truly impressive."*

# Frequently Asked Questions

## WHAT DOES A CHAMPION'S GIFT COVER?

We want to be able to say "yes" to every student the Lord is calling to be a part of our community. A Champion's gift completes the cost to educate a student at Tree of Life that scholarships and the family's contribution do not cover.

## WHO PROVIDES THE REST?

A Champion's gift bridges the gap that a family's contribution and the State funded income-based scholarship do not cover.

## WHERE DO STUDENTS COME FROM?

Everywhere! Tree of Life serves students from over 200 different churches, 23 different school districts, and 60 different zip codes. Approximately 80% of these students are referred to Tree through family, friends, pastors, coaches, or mentors. Approximately 90% of our students return each year.

## IS MY GIFT TAX-DEDUCTIBLE?

Yes! Tree of Life is a 501(c)(3) non-profit. All gifts toward the Support-A-Scholar program are tax-deductible.

## WILL I HAVE OPPORTUNITIES TO ENGAGE WITH THE STUDENTS?

Throughout the school year, you will receive invitations to events exclusively for Champions, in addition to notes from students, parents, and teachers.

*"Everything people see in me now, Tree of Life Christian Schools saw in me when there was nothing there. I was a kid significantly behind in academics coming into a college prep school. They worked with me and molded me into the person I am today. I've been out of high school for seven years and I'm still benefiting from my time at Tree. A high quality education is so important for every child. I'm not sitting in a classroom anymore, but my life is forever changed because of this school!"*
