

January 7, 2019

Important Information

I hope you had a wonderful Christmas and are ready to begin the New Year. I thank God for His faithfulness and I continue to pray for your child and your family as we enter 2019. What a privilege to be hidden in Christ so that we may truly rise! These next three weeks we will be working on our poem for our class speech meet, so our memory work will be verses of the poem. The end of January your child will recite either the poem or the Bible passage in front of our class and a few judges. They will be given a ribbon based on the judging. Your child may choose to memorize one of the two poems being sent home in the Monday folder. For Friday they should know the first four to six lines.
