

Dear _____,

I need your help! On Friday, May 10, 2019, I will participate in JOG-A-THON to benefit my school, Tree of Life Christian Schools, in Columbus, Ohio. The proceeds from Jog-A-Thon helps enable Tree of Life to offer me elementary experiences with quality enrichment classes and extracurricular activities such as Art, Technology, P.E., S.T.E.M., Reading Intervention, Spanish, Music, and Elementary Athletics.

Even more importantly, I get so much more than an great academic education at Tree of Life Christian Schools! They are also teaching me to love God by serving others. When you give to Tree you are supporting a school, a mission, and a ministry.

Tree of Life’s goal is to raise \$40,000 from Jog-A-Thon. If every student raises just \$175, our school will meet its goal. Would you please support me for JOG-A-THON? Thank you in advance for partnering with my family and Tree of Life Christian Schools in my education.

Sincerely,

Please detach and return bottom portion with your donation by May 8, 2019 to help me qualify for prizes. Thank you!
